

## American Recovery and Reinvestment Act of 2009 (ARRA)

### Project Certification

**Program:** Virginia Clean Water Revolving Loan Fund

**Project:** Augusta County Service Authority/Alternative Energy Efficiency Projects

**Description:**

Installation of solar panels, aeration windmills, and generators at various wastewater pump stations and treatment plants throughout the County.

**Total Project Cost**

**\$ 337,769**

**ARRA Assistance Provided**

**\$ 337,769**

I hereby certify that the above project has received the full review and vetting required by federal law and that the investment of federal and state funds in this infrastructure project is an appropriate use of taxpayer dollars.

This certification will be posted on the Governor's website and linked to the federal ARRA website [www.recovery.gov](http://www.recovery.gov)

## American Recovery and Reinvestment Act of 2009 (ARRA)

### Project Certification

**Program:** Virginia Clean Water Revolving Loan Fund

**Project:** Town of Covington/Energy Recovery Project

**Description:**

Installation of a digester gas energy recovery system at the Town's wastewater treatment plant to heat the digester and produce electricity.

### Total Project Cost

**\$ 386,694**

### ARRA Assistance Provided

**\$ 356,914**

I hereby certify that the above project has received the full review and vetting required by federal law and that the investment of federal and state funds in this infrastructure project is an appropriate use of taxpayer dollars.

This certification will be posted on the Governor's website and linked to the federal ARRA website [www.recovery.gov](http://www.recovery.gov)

## American Recovery and Reinvestment Act of 2009 (ARRA)

### Project Certification

**Program:** Virginia Clean Water Revolving Loan Fund

**Project:** Town of Abingdon/Renewable Energy Project

**Description:**

Installation of microturbines to utilize methane gas from sludge digestion to produce electricity and the installation of solar panels and geothermal heat pumps (using plant effluent) to produce heat at the Town's Wolf Creek Water Reclamation Facility.

**Total Project Cost**

**\$ 610,175**

**ARRA Assistance Provided**

**\$ 565,000**

I hereby certify that the above project has received the full review and vetting required by federal law and that the investment of federal and state funds in this infrastructure project is an appropriate use of taxpayer dollars.

This certification will be posted on the Governor's website and linked to the federal ARRA website [www.recovery.gov](http://www.recovery.gov)

## American Recovery and Reinvestment Act of 2009 (ARRA)

### Project Certification

**Program:** Virginia Clean Water Revolving Loan Fund

**Project:** Town of Culpeper/Digester Gas-Boiler Control Upgrade

**Description:**

Improvements to the gas collection, distribution, control, and flare off systems at the Town's wastewater treatment plant digester in order to enable the heating system to utilize digester gas in lieu of #2 oil, thereby substantially reducing external energy usage.

**Total Project Cost**

**\$ 259,310**

**ARRA Assistance Provided**

**\$ 246,310**

I hereby certify that the above project has received the full review and vetting required by federal law and that the investment of federal and state funds in this infrastructure project is an appropriate use of taxpayer dollars.

This certification will be posted on the Governor's website and linked to the federal ARRA website [www.recovery.gov](http://www.recovery.gov)

## American Recovery and Reinvestment Act of 2009 (ARRA)

### Project Certification

**Program:** Virginia Clean Water Revolving Loan Fund

**Project:** Town of Cape Charles/Replacement of Wastewater Treatment Plant

**Description:**

Replacement of the Town's existing wastewater treatment plant with a new 0.25 million gallon per day membrane bioreactor facility providing nutrient removal.

### Total Project Cost

**\$ 18,898,000**

### ARRA Assistance Provided

**\$ 4,463,974**

I hereby certify that the above project has received the full review and vetting required by federal law and that the investment of federal and state funds in this infrastructure project is an appropriate use of taxpayer dollars.
